The Chief Executive Officer

Dear Sir / Madam

COMPLIANCE WITH THE ACCREDITATION APPLICATION AS A SHI

It has come to the attention of the SHRA that there is widespread use of third-party information in the submission by entities applying for SHI accreditation, and this without acknowledgement or the necessary permission from the owner(s) of the information.

This is of great concern to the SHRA as it has to protect the public funds that it administers and subscribes to the highest levels of ethical standards.

The expectation of the SHRA is that where information is available to the public, an acknowledgement of the source is required. Where information has been plagiarized or copied from other SHI's, this will not be condoned.

In view of the above, please complete the declaration below and submit it back to us ASAP

Yours Faithfully

GIANNI VECCHIO
ACCREDITATION MANAGER

For and on the behalf of the Social Housing Regulatory Authority
